## Work Experience

**JUNIOR SEO/GRAPHIC DESIGNER** 2016 - 2019
*JNB Web Promotion*

Executed combined search engine optimization and visual design initiatives to drive organic traffic and elevate brand presence for client websites. Conducted keyword research, optimized on-page elements, and managed link-building campaigns while creating custom digital marketing assets, social media graphics, and promotional materials. Monitored site performance through Google Analytics and Search Console to deliver actionable reporting, while maintaining web content and optimizing site usability.

**SENIOR SEO/ Wordpress designer** 2019 - 2023
*Volfyre Digital Marketing*

WordPress web design, and graphic design operations at Volfyre Digital Marketing to boost search performance and brand visibility. Directed full-lifecycle SEO strategies including technical audits, local citations, and Core Web Vitals optimization to drive organic traffic growth. Built fully responsive, custom-coded WordPress sites and designed high-converting digital visual assets that increased brand engagement across client campaigns.

**Freelancer SEO** 2023 - 2023
*Bingerlabs*

Freelance SEO Specialist at Bingerlabs delivering performance-focused search engine optimization solutions. Key strengths include technical audits, local citation building, and high-intent keyword targeting designed to elevate search rankings and drive qualified organic traffic.

**Wordpress Web Dev Apprentice** 2023 - 2024

Managed high-volume WooCommerce infrastructure across a network of specialized e-commerce stores, maintaining uptime, site security, and large product catalogs. Optimized page speed and diagnostic performance while customizing storefront layouts using HTML, CSS, and custom PHP snippets. Partnered with senior developers to resolve staging bugs, execute database cleanups, and ensure responsive, seamless transaction environments.

**SENIOR SEO Specialist** 2024 - 2026
*Canadian Web Designs*

Senior SEO Specialist with proven expertise in technical site audits, site architecture optimization, and schema markup to maximize organic visibility. Skilled in high-authority link-building, reputation management, and performance analytics to adapt strategies to algorithm shifts and drive measurable search growth.
